Zoning Ready For Board Vote Next Week

Delay Discussed But
Could Block Opening
University On Time

To avoid causing further delay in development of Southwestern Illinois University, the Madison County Zoning Commission has made final zoning wording and maps available to the County Board of Supervisors, ten days prior to the next board meeting Feb. 20.

While there has been talk of political considerations prompting a delay in the zoning adoption vote from February until after the April supervisor elections, it is believed that such a delay would make it impossible for the new university to open on schedule in September 1964.

The university board has voted to withhold advertising for construction bids until zoning of the campus perimeter area is assured. If zoning is adopted Feb. 20, the university is ready to issue the bid call immediately.

Although weather and other factors cannot be predicted precisely, university officials have indicated that with an immediate call for bids—taking advantage of the full spring season for assembling of materials and initial excavation and construction—the new campus can be opened on time.

Ordinance Revised
Mailing of the zoning ordinance and 22 township land-use maps to members of the County Board was announced following an all-day meeting of the commission Friday. Revised copies of the ordinance were furnished to the Chicago engineering firm of Evert Kincaid & Associates.

Minor revisions and clarifications are to be mailed out separately by tomorrow, it was explained.

Zoning Commission Chairman Thomas Butler told the Press-Record that "no one is following the task given to us. We do not wish to cause any further delay in the development of the new university than has already occurred."

The slow pace of the zoning hearings may have been our fault, but we did the best we could. We don't want to cause any further obstruction in the efforts to establish the university.

Commenting that the commission as endeavored to present the proposal in a form which would meet the needs and wishes of county residents, Butler noted that "it has been more than two years in the development, with about a year and a half of public discussion and literally thousands of columns of newspaper articles."

The possibility of postponement in the County Board has been considered, but the commission has decided to proceed with the zoning ordinance.

WILLIAM R. WOODSON SR.
W. R. Woodson Sr.
Dies At Age 87

William R. Woodson Sr., one of Granite City's early business and civic leaders, died at 12:30 p.m. Thursday at St. Elizabeth Hospital at age 87. He lived at 2802 Kirkpatrick Homes.

Mr. Woodson was born at Effingham, coming to Granite City as a young man. He at one time operated a grocery store on Illinois street, then became a salesman for Union Biscuit Co., St. Louis.

After "retiring" at 65, he served two consecutive terms as Nameold township constable. He was later employed by the Granite City park district until declining health forced him to become less active.

Mr. Woodson was a member of the Granite City elementary board of education from 1914 to 1917, when he resigned to move to St. Louis for a short time. He was an active community business leader and served as secretary of the old Retail Merchants Association.

He was a charter member and former trustee of the First Presbyterian Church.

He had been ill and bedfast for the past two years.

Survivors include his wife, Flora; a son, William R. Woodson Jr.; and a sister, Mrs. Ella Jones, all of Granite City.

Funeral services were conducted this afternoon at a Granite City funeral home, with interment in St. John's Cemetery.

An obituary notice appears elsewhere in this issue.

Period Will End Today

Filing will end today for two Venice township offices to be filled April 2.

Assistant Supervisor Claude Echols and Highway Commissioner Frank Kincaid are unopposed, and no other petitions have been obtained from the township.

36 Petitions Still Out

Big Rush Of Filing In GC
Expected This Afternoon

The big rush of candidates to file for city and township offices is expected late this afternoon, City-Town Clerk A. L. Stevens said this morning after noting only three filings have been recorded since Thursday and two of those were this morning.

Already filed are one candidate for superintendent of streets, 27 for aldermanic posts and three for the township assistant supervisor offices.

Latest Filings
Latest to file were C. Ross Halbrook on Friday for Seventh Ward alderman; and today—Charles W. Moerling, four-year term as First Ward alderman.

\$990,990 Budget Is Adopted By Levee Board

Total Down \$14,250,
But Excludes \$1.4
Million Bond Issue

A \$990,990 budget for the fiscal year beginning Jan. 1, 1963, was adopted Friday morning by trustees of the East Side Levee & Sanitary District following a budget hearing at the district's offices in East St. Louis.

The 1963 budget is \$14,250 less than 1962's figure, with the slash reflected in smaller amounts set aside for project and maintenance costs and administration.

Levy Passage Set
Trustees will meet again in special session at 10 a.m. Thursday, Feb. 21, to pass a tax levy resolution and adopt a tax levy ordinance. An itemized budget for the fiscal year is on page 22.

Total estimated expenses for the district this year are listed at \$1,940,758, including \$800,000 for project costs, down \$530,000 for operations, \$715,000 for bond interest, and \$425,758 for maintenance, down \$300; and \$80,000 for a municipal retirement fund, up \$500.

At the same time, the levee district estimates 1963 receipts at \$2,734,500 from 32 bond issue funds, tax receipts, the issuance of tax anticipation warrants and from balances on hand in various funds.

Operational Breakdown
The operational budget for 1963 provides \$407,640 for project costs, down \$530,000 from 1962; \$93,500 for administration, down \$11,500; \$40,900 for police, same; \$55,600 for engineering, up \$1450; \$273,300 for maintenance, down \$300; and \$80,000 for a municipal retirement fund, up \$500.

The 1963 budget does not include a \$1,390,000 bond issue to cover pollution abatement project costs, which include the construction of trunk sewer lines and sewage treatment plants in the levee district's overall pollution abatement master plan.

During 1962 the levee district spent a total of \$4,206,948, up \$507,484 over 1961.

Local Grocer, Wm. Habekost, 68, Dies Of Heart Ailment

WILLIAM E. HABEKOST
Born at Carlinville, he had been a resident of Granite City since 15 years of age. He was married today at the UP office.

Survivors include his wife, Emma; a daughter, Mrs. Evelyn Fuller of Granite City; two sisters, Misses Edith and Emma Habekost of Carlinville; a grandson and several nieces and nephews.

Funeral arrangements appear in the obituary column.

Nominees For UF Board Announced

Candidates for three-year terms on the Tri-Cities Area United Fund board of directors, who are to be elected at the Feb. 19, annual UP meeting, were announced today at the UP office.

The candidates are Chester L. Baker, Charles J. Barcovec, Theodore Berger, John F. Bilba, A. W. Buchner, Ernest L. Conlin, Jon L. Dressel, George E. Dubanks, Don D. Farrington, Homer A. Huber.

Howard Kaseberg, Dr. Felicia W. Koch, Roy L. Logan, Carl E. Mathias, Rev. L. J. Matting, Jesse J. Rainwater, Stanley Schermer, Gilbert M. Sykes, Edward L. Vaughn, and Freeman Wolfe and a representative to be named from Granite City Steel Co.

The annual meeting will be held at 7:30 p.m. Tuesday, Feb. 19 at the YMCA, and all Quad-Cities who contributed during the 1963 campaign are eligible to attend and vote.

The names will be placed in nomination by Paul Lichtenberger, chairman, and the committee—Mrs. Gabrielle Bettine, Dr. John E. Lee, Edwin F. Reisse and C. E. Townsend.

Vondals Smash Ceramics

Virgil Kirksey, operator of Virgil's Gardens, 2119 Pontoon road, reported to police Sunday morning that vandals had broken a door glass on the north side of his place, a window on the east side, and smashed ceramics and floral pieces worth \$25.

Attempted Break-In
While on routine patrol duty, Granite City police discovered an attempted break-in at Rome and Roy's tavern, 2475 Madison avenue, about 3:30 a.m. today. A glass had been broken on the northeast door. Entry was not gained.

Fringe Benefits Among Factors In School Costs

Non-Cost Policies
Also To Be Part Of
Written Agreement

(Fourth of a Series)

Fringe benefits—non-separable part of many salary and wage agreements—also play a part in Granite City school district costs and in current negotiations with the teachers' union.

The most recent request by Local 743 includes "extended hospitalization insurance," which the district estimates would cost \$71,799 a year.

Other proposals submitted to the district for the current period have included:

Overtime pay of \$5 an hour for activities performed at the school district's request and for compulsory attendance at any function after 3:30 p.m. weekly, or at any time on week-ends.

Annual sick leave of 15 days accumulating to 100 days.

Unpaid School Leave
Teachers are asked to receive 100% of unused sick leave upon leaving the school system.

One day of personal leave each year.

Other requests were for binding arbitration; appointment of three or four board members to negotiate with the union's salary and policy committee; and a bargaining agency for its members; any teacher desiring to accept the agreement negotiated by Local 743 to be considered as a member of the local; all agreements not in writing void upon signing of the agreement; and details of the requests to be accepted until an agreement is reached.

Negotiations have indicated that various requests for treatment plans for Granite City and St. Louis are being dropped entirely.

Present Benefits
Existing benefits include automatic sick leave accumulation at a rate of 10 days a year to a maximum of 70 days. Sick leave is granted for absences due to the health of the teacher or due to the health of members of his immediate family.

Separate provision is made for emergency leave, which is described as "leave of absence" which a person has no control and the person's presence is required for five days a year in any year.

Two categories of emergency leave are provided: immediate family—parents, persons in lieu of parents, wife or husband, children, brothers and sisters, brother-in-law, sister-in-law or daughter-in-law, or partner.

Emergency leave is available at a small business, court summons.

Official Reasons Given For Federal Lab Site Choice

Proximity of Ann Arbor, Mich., to the Great Lakes has been given as a reason for selection of that location for the U. S. Public Health Service's new midwest water pollution control laboratory, it was disclosed today by the Metro East Chamber of Commerce Association.

Official reasons cited by Secretary Anthony J. Celebrezze of the Department of Health, Education and Welfare also included the fact that the location was in the unincorporated area of the University of Michigan, but the MECCA spokesman noted that university in this regard has comparable facilities.

Secretary Celebrezze said he is convinced that "the particular requirements of the laboratory and the needs of the entire midwest would best be served by the location selected," but added that many other locations were acceptable. Eighteen sites were surveyed and evaluated, he said in a letter to Gov. Melvin Price that was forwarded to Paul H. Lichtenberger, Granite City, MECCA president.

Lichtenberger had asked Price and other Illinois and Missouri congressmen and senators representing the St. Louis area to petition area to "ascertain from the appropriate officials why Ann Arbor was favored to be superior" to this area and such communities as Evanston, Ill., Kansas City, Mo., and Madison, Wis.

Detailed Report On Area Water Table Is Published

The ups and downs of the Madison-St. Clair counties lowlands water table is outlined in detail in a report published this week by the Illinois State Water Survey.

The report shows heavy pumping of ground water over the years has caused the water table to drop significantly, but that in the Quad-Cities the water table has recovered 50 feet since industrial wells were abandoned in 1957.

Since 1900 water levels are down 10 feet in the Quad-Cities, 50 feet at Moline, 40 feet at Wood River, 20 feet at Alton and 15 feet at National City.

The report by R. J. Schicht and E. C. Jones of the state engineering staff was compiled for the scientific research division of the Illinois Department of Registration and Education.

93 Million Gallons Daily
It points out the ground-water levels and pumping from 1890 to 1961. The daily pumping from wells increased from 2.1 million gallons in 1896. Some industrial wells in the Quad-Cities were abandoned after 1956 and the more recent pumping is about 93 million gallons a day.

Also given in the report are records for five minor pumping centers near Glen Carbon, Post Troy, Caseyville and Fairmont City.

It is stressed that sand and gravel wells along the valley lowlands of the Mississippi River to the Illinois State Water Survey from Alton to Dupo, known as

the "American Bottom," have provided large quantities of ground water for the highly populated and industrialized area.

The authors explain that the water table in some places is lower than the surface of the Mississippi so that river water now seeps into the ground-water reservoir. This supplements the normal recharge from precipitation and helps to maintain the water table.

Less Flow To River
In other parts of this area the natural slope of the water table toward the river has not been reversed, but flow into the Mississippi is considerably less than in the early days. Before the region was settled, the water table was very near the surface and there were many ponds, swamps, and poorly drained places.

The Water Survey began systematic ground-water investigations in 1941, and scattered earlier information has been collected to round out the summary of water levels and pumping since 1890.

Studies are being continued to determine, through new computer techniques, the potential yield of this ground-water aquifer and safe pumping rates for the future.

The new publication is titled "Ground-Water Levels and Pumpage in East St. Louis Area, 1890-1961." It is listed as Report of Investigation 44 and may be obtained upon request by writing to the Illinois State Water Survey, Box 232, Urbana.

Quad-City Amvels Hold Valentine Party

Quad-City Amvels Post 51, 5100 Lakeview drive, was the scene Saturday evening of a Valentine party for Amvel members and their families.

The clubrooms were decorated with red and white streamers, cupids and hearts. A heart-shaped cake served as centerpiece for the buffet table.

Mrs. Betty Wilkins and Ben Sanders were crowned as queen and king of hearts. Each was presented with a gift.

Announcement was made by the post commander, William Webb, of the fifth wedding anniversary of one of the members, Marilyn Richardson, and his wife, Kim.

During the evening, a buffet was served to Mr. and Mrs. Sanders and daughter, Debbie, Mr. and Mrs. Robert Harrison and daughter, Janet, Mr. and Mrs. Charles Wilkins and children, Linda, Dutch and Sharon, Mr. and Mrs. Robert Gibson and children, Randy and Marsha, Mr. and Mrs. Leighton Taylor, Mr. and Mrs. Marvin Richardson, Mrs. Pauline Wickham, Harold Schmidt, Robert Knackstedt, Richard Reinhardt, Mr. and Mrs. Rex Manning and Mr. and Mrs. Floyd Tucker Jr. and children, Cheryl and Denise.

The next regular meeting of the Amvels and auxiliary will be held tonight at 7:30.

Traffic Charge
James J. Lenter, University City, Mo., was booked by Madison police at 10:55 a.m. Friday for careless driving. He was released on \$10 cash bond until a hearing.

GC Parking Meter Income \$3056 In January, Up \$295

Parking receipts for January in Granite City totaled \$3056, up \$295 from January 1962. Receipts included \$2975 from meters, up \$264, and parking fines of \$81, up \$31.

Total January receipts were \$39 higher than those of December. The highest increase for any January, however, was in 1956, when receipts totaled \$4124.

The highest month during the past year was May 1962, with a total of \$4194 being collected. The low month during the entire past year was in June when only \$2880 was collected for the city coffers.

There were 26 days of meter operation during January. The average daily income was in excess of \$117.

Since the meters were installed in 1954, parking receipts have been used to pay meter patrolmen, to hire additional officers for traffic control and toward the installation of electric traffic signals.

Parking collections enriched the city treasury by \$442,779 during the first decade of meter operation. Since then, receipts have run \$41,733 in 1960, \$42,922 in 1961 and \$39,244 in 1962.

Since the meters were installed, the total parking collections have amounted to \$569,794.

110 Births, 33 Deaths

January Vital Statistics Here Same As December's

The Quad-Cities' vital statistics for January were virtually unchanged from December, it was reported today by Granite City Clerk A. L. Stevens, who compiles the records for the entire area.

The 110 babies born last month equaled December's birthrate of 110 and the death rate also was the same—33.

The only difference in the statistics was in the stillbirth column. There were none in December and three were recorded in January.

The January statistics of 110

births and 33 deaths show an increase in births and decline in deaths compared to January 1962 where there were 108 births and 30 deaths, along with four stillbirths.

Vital statistics for other Januarys were: 1961—131 and 38, 1960—116 and 36, 1959—125 and 35, 1958—124 and 41, 1957—132 and 37, 1956—108 and 46, 1955—107 and 32, 1954—113 and 37, 1953—106 and 49.

Tri-City KC Honors Past Navigators

Past faithful navigators of the Fourth Degree Assembly, Tri-City Council 1058, Knights of Columbus, were honored Saturday evening at a dinner at The Smorgasbord.

Special honors were conferred on William Boerckel of Venice, a charter member of the Assembly, who will observe his 50th anniversary as a Sir Knight on Friday. He was presented with a plaque by Leo Portell, Boerckel who served as faithful navigator from 1946 to 1949, spoke of the early organization of the Assembly.

Receiving faithful navigator pins and jewels from Marvin Boyer, master of ceremonies, were Fred Schuler, John J. Staehner, Joseph DeFuntz, Jesse Tawney Jr., Anthony Mangiaracino and Portell.

Robert Meisner of Dreesse, master of the Southern Illinois District, and Portell spoke briefly and memorial prayers were recited for the late John Harris and John Fehle, who served as faithful navigators from 1916 to 1946.

A special guest was Miss Mary Anne DeGreef, cultural chairman for the national CYO Federation, young adult section, and a staff member of a St. Louis TV station.

Special recognition for arranging the event went to Roy Thebeau, chairman, Mrs. Louis Ricanic, James DeFuntz and Harvey Balke. Eighty members and guests attended.

Four GCNS Students In District Speech Meet

Four Granite City high school students were among an estimated 225 who participated in the Illinois district tournament of National Forensics League Friday and Saturday at Normal.

Robert Butler Jr. placed fourth in oratory, while Virginia Malberg reached the semi-finals in boys' extemporaneous speaking. Other entrants were Kathy Gross and Ruth Maxton, both entered in dramatics.

The participants were accompanied by Miss Mary Blackburn and Miss Sandra Liernan, faculty members, and Robin Bowers, a speech student.

Posts Property Bond

Leonard G. Morgan, 40, of 1714 Cleveland blvd., was charged with reckless driving and profanity Saturday after being involved in an auto accident about 8:25 p.m. on Highway 67 near the A. O. Smith Corp. plant. Police said he was driving south and went into the northbound lane, striking an auto driven by Glen E. Lindsey, 26, of 2014 Dewey avenue. Morgan was released on \$150 property bond.

Musical Program At Roseman Home For Ladies Coterie

Mrs. Arthur Roseman was hostess to the Ladies Coterie Thursday afternoon.

The Roseman home, 2120 Richmond avenue, was decorated with red and white carnations and a Valentine theme was carried out in the appointments of the table and the luncheon served. The hostess was assisted by her daughter, Mrs. Gene Sternberg, and Mrs. Meryl Jennings.

Mrs. Rex Niles, president, was in charge and the usual reports were heard. Mrs. Ambrose Hettich and Mrs. William Cariss were reported to serve on the scrapbook committee. Mrs. Roy Huff reported on plans for the annual guest day party of local clubs to be held May 2 at the new Holiday Inn at Sunset Hill.

Mrs. Harold Dorries, chairman, introduced the program. The musical numbers included two piano selections by Mrs. Walter Kerch, "Lento" (Cyril Scott), and "Old Vienna" (Godevsky); and two songs by a vocal trio composed of Mrs. Earl Miller, Mrs. George Holtzschner and Mrs. Dorries. "I Heard A Forest Pray," by Lattose, and "You Are Beautiful" by Rodgers, accompanied by Mrs. Russell West.

In addition there was an interview by Mrs. James R. Craddock, wife of the pastor of Central Christian Church, with Miss Mary Helen Padillo, 19, a member of a Cuban refugee family which the church is sponsoring here, in which the many difficulties encountered by the group in leaving their native land were discussed. The father of the family is still in Cuba.

During the luncheon period the birthday song was sung in honor of Mrs. Fred Haug and Mrs. Mark Pickett, two of the members. Twenty-four club members and five guests attended the meeting.

The latter were Mrs. West, Mrs. Holtzschner, Mrs. Earl Miller, Mrs. Craddock and Miss Padillo.

The Feb. 21 hostess will be Mrs. Evan Griffith and the meeting will be held at First Presbyterian Church.

Coolidge Braves Capture County JHS Cage Conference Tournament Title

Coolidge rallied with 23 points in the final period, including nine by Dana Lakatos, to defeat North JHS of Collinsville in the championship game of the Madison County Junior high school basketball conference tournament at Prather JHS here.

The Braves gained revenge over North for two defeats sustained during the regular season with a 68-64 decision in the final game of a tournament where the average margin of victory in six games was less than four points.

In Friday's three-place contest Webster of Collinsville nipped Prather of Granite City, 52-50. The Chiefs lost two tournament games by a total of four points.

Eight Point Lead

North had built up a 52-45 lead over Coolidge by the end of the third quarter and stretched the lead to eight before losing center Don Birger on fouls with four minutes left. The Braves began a comeback, caught the conference champions and hung on before a capacity audience.

Lakatos, scoreless in brief appearances earlier in the game, broke the North zone defense from underneath as Coolidge upped its record to 10-7 for the season.

Larry Ripka, canning some pressure-packed free throw attempts in the final minutes, led the Braves with 18 points. Mike Pritchard and Terry Moore each contributed 16. Elmer Wortham seven and Bill O'Neill two. Birger, who had almost single-handedly defeated Prather in a semifinal game the previous night, finished with 21. Dave Garrett scored 18 and Bob Holmer 13 for North.

Webster, using a press and zone defense, overcame a 27-25 Prather halftime lead and surged to a 38-33 third-quarter lead, then had to hang on as the Chiefs finished strongly. Prather ended the year with a 9-7 record.

Ricky Milburn's 27 points led Webster, with teammate Larry Shasteen hitting 13. Jim Rains with 16 and Bill Cox with 12 were Prather players in double figures.

Webster's Rally Short

Coolidge had to beat off a late Webster rally Thursday night before advancing to the finals. The Collinsville school, down by five at halftime, took its only lead with two minutes left in the game, on two buckets by Ron Milburn, 41-39.

But Coolidge engineered two

steals with its all-court press, and got matching baskets from Larry Ripka as Webster went scoreless from the field in those final two minutes. Both Ripka and Milburn finished with 18 points.

Bill O'Neill gave Coolidge an early boost, rimming 12 of his 14 points in the first half. Eighth grader Terry Moore gave Coolidge some needed help off the boards, and the Braves held WJHS center Larry Shasteen to just one field goal.

Shasteen had an off night, missing three close-in shots in the first quarter and six of eight free throws in the first half. He fouled out of the game, together with Moore and Mike Pritchard for Coolidge.

Birger Scores 38

The Prather-North contest was just as exciting, with the conference champions having to beat off Prather in the last minute to pull out a 57-55 win.

North's Don Birger, probably the top prospect in the conference, staged a one-man offense against the Chiefs. Coach Bob Miller noted five different defensive players against Birger, but the North pivotman ran up 38 points as he hit from all parts of the floor.

The Chiefs led by as many as eight in the first quarter, but Birger put North ahead to stay in the second stanza.

The winners' lead widened to nine points before Jim Rains, Prather's leading scorer with 25 points, brought the Chiefs back with a fourth-quarter scoring flurry. Len Reveille added 12 points to the Prather total and Nick Belabragic scored nine for North.

Venice Graders Score

21st Victory Of Season

Venice grade school, the winning basketball club of its class here this season, easily outpointed St. Mark's of Venice Thursday night, 36-13, for its 21st victory of the campaign.

Venice got 13 points from both Rich Essington and Denny Hill, two of 19 players sent into the game by Coach Roger Davis. The winners had a 21-8 halftime lead.

St. Mark's, the host school, salvaged the "B" team game 19-16. Venice has a tentative makeup game date with St. Elizabeth school at the Nameoki gym on Feb. 18.

IMPRESSIVE 21-3 RECORD has been rolled up this season by the Venice grade school basketball squad under Coach Roger Davis. Team won the Tri-County grade school conference championship with a 12-0 mark and has one game remaining on its schedule. Front row (from left) Ken-

ry Patterson, Greg Puett, Richard Kutz, Rodney Boudier, Russell Turner and Ronnie Pier. Back row (from left) manager Glen Boushard, Marvin Nash, Wilson Hundley, Richard Essington, Larry Barr, Denny Hill, Elta Vallero, Roger Schaffner and Coach Davis.

PLAYOFF CHAMPIONS in the park district's basketball league for third and fourth graders, the Steelers, hold individual trophies after winning final game from Panthers Saturday. From left to right are: Donnie Harris, Jimmy Monroe, Roger Boyer, John Pithers, Danny Bernaix and Ricky Couch. Instructor was Roger Summers (left).

5TH-6TH GRADE TITLISTS in park basketball playoffs, the Warriors downed the Bears by one point in Saturday's finals. From left, the players are Don Monken, Mike Cross, Charles Rains, Walter Jung, Roger Laws, Roger Belshe and Mark Twietmeyer. Club was coached by Conrade "Babe" Champion (rear).

Bowland Nears Division Title In Classic Loop

Plaza Pizza upset West Side AC 53-52 and Bowland inched closer to the "B" division title with a 58-50 decision over Sacred Heart Thursday night in the park district Classic league basketball contests staged at Coolidge Junior high school.

Dewey Melton was the night's leading scorer with 28 points for West Side, but Plaza took a 27-24 halftime lead and hung on as Terry Andrews rimmed 17 points and Don Hornberger 11 for the winners.

Sacred Heart was a 24-22 leader over Bowland at the halftime break, but could not stay ahead. Roger Blackshere scored 17 points and Jerry Wintjen added 13 for Bowland, now two games ahead of the Hearts with two games to play. Paul Mosby with 16 points and Jake Timmer with 13 were the top Sacred Heart scorers.

Ragan Lumber, all ready the "A" division title, will play Ernie & Annie's at 8:15 tonight at the Prather JHS gym after Madison Bowling Club and Schlitz Beer meet at 7 o'clock. MBC can clinch second place behind Ragan with a victory.

Farmers Assured Of 'A' Division Tie In Park League

The Farmers secured at least a tie for the park district High School basketball league's "A" division Thursday night at the community center by downing Miller Grocery, 45-33. Sim's Place moved into a two-way tie with idle second-place Ragan Lumber in the night's first game by thumping Olga's Confectionery, 73-36.

The Farmers are 8-1, while

Ragan and Sim's both sort 7-2 records. All three teams have one game remaining before the playoffs begin.

Sim's will get a shot at Ragan next Wednesday night at the Nameoki school 8 p.m., while Bellemore Barbers attempt to sidetrack the Farmers in the third game. Olga's and Miller meet in the first contest at 6:30 p.m.

Neither of Thursday's winners was hard-pressed. Sim's led Olga's 43-21 at halftime, with the winners Tony Bodi totaling 24 points and Terry Valencia

GC Fire Loss During 1962 --\$235,521--Up \$115,747

Fire loss in Granite City during 1962, according to the annual report prepared by Fire Chief Elijah King.

Chief King pointed out that one disastrous fire—the Woodrume Oldsmobile Agency burn-out in January 1962—accounted for most of the increase in per capita loss.

The total fire loss for the year was \$235,521, compared to \$119,774 in 1961. Of the \$235,521 total, the Woodrume fire accounted for \$115,813, including \$45,000 to the building, \$40,813 to automobiles (most of them new) and \$30,000 to other contents.

\$5.60 Per Capita Loss

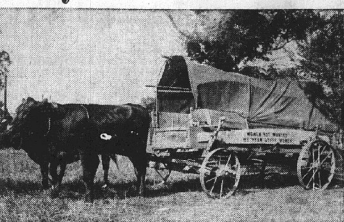

Per capita loss last year was \$5.60, compared to \$2.85 in 1961. During the past year, the department answered 467 alarms, traveling 1726 miles, raising 503 fires, laying 53,842 feet of hose and pumping for 496 hours. These figures compare to 1961 totals of 1693 miles, 873 feet of ladders, 47,775 feet of hose and 392 hours of pumping. In addition, the department answered 15 out-of-town fire alarms and 19 at industries in 1962.

Truck Overturns In Crash At 26th and Edison

Leonard Robinson, 28, of St. Louis, was charged with failing to yield the right-of-way Thursday after the small van truck he was driving was involved in an accident about 1:55 p.m. at Edison avenue and 26th street. The truck overturned on its side.

Police said Robinson was driving east on 26th street when his truck and an auto driven by Richard Kazy, 31, of 2442 Center street, collided. According to police, Kazy was driving north on Edison avenue. His auto was badly damaged in front.

Days of the Oxen

PARADE-TYPE COVERED WAGON and yoke of oxen which appeared at several southern Illinois centennial celebrations in recent years, a picture which recalls memories

JOHN W. ALLEN

Southern Illinois University

Rummaging among the odd materials that nearly everyone manages to collect through the years can bring strange recollections. These paragraphs began in that way, or rather they began with three closely related findings that came within the hour one afternoon.

The first was a February 1913 entry in the writer's diary. There had been a deep, hard freeze, followed by a rapid and complete thaw that left the all-dirt roads a quagmire. The entry for that particular day says, "When school was dismissed there was a yoke of oxen hitched to a log wagon waiting at the corner of the schoolground for the children living along the road to go to the sawmill." The youngsters should have been grateful for the mill was about a mile and a half away and the roads were terrible.

The second find was a photograph of a yoke of oxen hitched to a parade type covered wagon, the one that was brought on a truck to Carbondale for a part in the centennial celebration of 1952. Some also may remember seeing this same wagon and oxen beside the highway north of Carbondale during watermelon season. Hundreds of persons, attracted by the strange sight, would stop to look, and incidentally buy melons.

A bound volume of the "Prairie Farmer" for 1848 and one of the "Cultivator" (Genevieve Farmer) for 1838 - 1839 were found. These farm magazines told the readers how to select, break to yoke, train, drive, and care for working oxen. The three combined hardly fail to give a lively interest in the vanished art.

Childhood Memories

Even in 1913, fifty years ago, oxen were rarely seen in southern Illinois. There are, however, numerous childhood memories of ox teams. One of the very earliest is that of two yokes of oxen drawing a "portable" threshing machine along a country road from "set" to "set." There is also the memory of one lone covered wagon going west past Harbardsville School on a long ago autumn day, a kind of straggling rear guard for the countless others that had gone before.

Most numerous of such memories are those of the log carts with wheels about twice as high as the driver's head that early came out of the North Fork bottoms and passed along the rutty road during the logging season. These carts were made of entire tree trunks, often 80 or more feet long. The butt of each log would be suspended beneath the high axle of the wagon, the top portion of the log trailed it.

Miss Belmer Receives \$100 Award From TMC

A Granite City resident, Miss Helen M. Belmer of 4127 Alton road, received a \$100 sustained superior performance award in a recent ceremony at the Army Transportation Materiel Command, St. Louis.

Miss Belmer, who works in the Directorate of Production and Procurement at the Army aircraft, rail and marine logistic agency, was one of 11 persons to receive awards totaling \$1500 in the command's award program, according to Brig. Gen. David B. Parker, TMC commander.

Boy Scout Council Planning Includes Future Camping

To help guide the scouting program during 1963 and plan for the future, Gene H. Sternberg, president, today announced the appointment of committee chairmen of the Cahokia Mound Council, Boy Scouts of America. Camping chairman will be George T. Wilkins, former state superintendent of public instruction and a past council president. The camping committee, in addition to operation of the council camps will plan a program of camping for the next 10 to 15 years, Sternberg said. Conservation and land use programs are now being developed for Camp Sunnen near Potosi, Mo., Camp Cahokia near Litchfield, and Camp Graham.

Leadership training chairman will be Marshall Wittergong, director of vocational and adult education in Granite City schools, who will be assisted by Bill Lovin, training director of Granite City Steel Co. Organization and extension chairman will be Wilbur R. L. Trimmer, superintendent of schools for Madison county.

Finance, Activities
Also named by Sternberg were:

Finance chairman, A. P. Steinhauser, works manager of American Steel Foundries, Granite City.

Activities chairman, Lester Rickett, assistant superintendent of schools, Collinsville.

Advancement chairman, Jack Friedman of E. A. Friedman Furniture and Hardware store, Madison.

Health and Safety
Health and safety chairman, Claxton Burroughs, Laclede Steel Co. and a retiring scoutmaster from Edwardsville.

Church relations chairman, Arthur Wetzel, former camp chairman and past president of the United Churchmen's Association.

Trust fund chairman, Henry D. Karandjoff, chairman of the

Three Building Permits Issued in GC Last Week

Three building permits were issued in Granite City during the first week of February, providing for home and commercial repairs and improvements totaling \$5325.

Largest of the three went to Glenn Belfort for a \$1300 addition to a home at 1530 Johnson road. Earl McClure received a permit for general home repairs at 2928 Myrtle avenue costing \$1125.

The third permit was for a new store front at Michels Jewelry, 1842 State street, work by G. H. Sternberg & Co., with cost listed at \$2300.

Building permits are issued at the office of City Clerk A. L. Stevens and appear in the Bloomquist, city planning inspector.

Census Bureau Plans Youth Survey Here

A special survey of youths not attending regular school will be conducted by the U. S. Bureau of the Census in connection with the February Current Population Survey, it was announced today.

Interviews will be conducted here and in 356 other sample areas of the country during the week of Feb. 18.

Information will be collected locally by Mrs. Mary Isbrecht, 4241 Highway 102.

Questions will be asked of youths 16-21 years of age as to jobs held during the last year, school, job training since school, kind of work being sought by the youths and other information related to the background of the persons.

Influence Of Scouting
In a Boy Scout Week message Sternberg noted that, since 1910, more than 36 million Americans have been identified with the Boy Scout movement. "There is scarcely an American family that has not felt its influence," he pointed out.

"In 1916, Congress recognized that scouting's development and promise of usefulness to the future of the country warranted federal protection."

"The federal charter it granted gave a legal foundation for scouting and stated that its purpose 'shall be to promote through organizations and co-operation with other agencies, the ability of boys to do things for themselves and others, to train them in scoutcraft, and to teach them patriotism, courage, self-reliance and kindred virtues.'"

First Troop Here In 1918
"The first Boy Scout troop in Granite City was organized in 1918 and received its charter from the national office, then located in New York City. W. R. Webb was the first scoutmaster and Carl Graham was his assistant. Prior to that time there were several troops meeting in the county, but they were not affiliated with the national organization."

"In 1920, the Granite City council was organized and Mr. Graham became a charter member of the executive board. Mr. Webb was employed as the first scout executive."

"Later, Madison, Venice, Edwardsville, Collinsville, Highland and Bond county were added to make the Cahokia Mound Council. Donald Higgins, national director of health and safety, is a former scout executive of the council."

"Since its early beginning, the council has grown to where it is now reaching a membership of 4124 boys and 1856 adult leaders in 163 cub packs, scout troops and explorer units."

\$15 Membership
"This membership represents our ability to reach 34.8% of all available boys between 8 and 18," Sternberg reported.

"We must never stop trying to meet our responsibility of providing scouting to all boys," he said.

"Today, more than ever, America needs men of unassailable character. Scouting, through volunteer leaders and its association with sponsoring institutions, such as the churches, schools and civic organizations of our community, can build men of character."

\$55,760 MFT For County
Madison county was allocated \$55,760 as its share of motor fuel taxes paid to the state during January. The total for all counties in the state was \$2,715,394.

Influence Of Scouting
In a Boy Scout Week message Sternberg noted that, since 1910, more than 36 million Americans have been identified with the Boy Scout movement. "There is scarcely an American family that has not felt its influence," he pointed out.

"In 1916, Congress recognized that scouting's development and promise of usefulness to the future of the country warranted federal protection."

"The federal charter it granted gave a legal foundation for scouting and stated that its purpose 'shall be to promote through organizations and co-operation with other agencies, the ability of boys to do things for themselves and others, to train them in scoutcraft, and to teach them patriotism, courage, self-reliance and kindred virtues.'"

"Today, more than ever, America needs men of unassailable character. Scouting, through volunteer leaders and its association with sponsoring institutions, such as the churches, schools and civic organizations of our community, can build men of character."

\$55,760 MFT For County
Madison county was allocated \$55,760 as its share of motor fuel taxes paid to the state during January. The total for all counties in the state was \$2,715,394.

HOMEMAKERS' LESSON ON 'ART IN YOUR HOME'

The Granite City unit of the Madison County Homemakers Extension Association held a monthly meeting Wednesday afternoon at the recreation hall of Niedringhaus Memorial Methodist Church.

The unit chairman, Mrs. McIlroy, conducted a brief business meeting and asked that the roll call be answered by the members on "How I Met My Husband."

Mrs. Mary Knecht, assistant county home advisor from Edwardsville, gave the major lesson entitled "Art in Your Home."

This was part one of a three-part lesson and dealt with color, designs, form and shape, texture and patterns of material to be used in decorating the home in an economic manner.

A true-and-false quiz on the proper amount of tipping while traveling, for meals or for any specific service a person may receive was conducted by Mrs. Vera Carey.

Announcement was made of the following coming events which are of interest to the members:

Feb. 14, a knitting class to be

held in Edwardsville; reservations must be made by Feb. 13.

Feb. 19, 4-H leaders' workshop in Edwardsville.

Feb. 22, lessons on hooked rugs, available in Edwardsville.

Feb. 26-27, a cooking school to be held at the Wilde theatre, Edwardsville, from 1 p.m. to 3:30 p.m.

And April 29, the annual meeting of all units of Madison county. Final plans for the meeting will be announced at a later date.

A report was given on the annual Illinois Homemakers Extension Federation meeting held at the University of Illinois in Urbana on Jan. 30 and 31. There were 282 voting delegates, 365 members and 37 guests present.

At the state meeting, 41 of the members present were from Madison county units, which gave them the second highest rating for members present.

The Madison county unit were awarded a plaque for having the highest net gain in membership, and the state gave them an award for certified 90% membership maintenance.

Members of the Granite City Unit who attended were Mesdames Marshall McIlroy, William Guth, M. J. Hill, Katherine Arnold and William Breiden-

bach. They stayed at Snyder Hall at the university. The guest speaker was Norman Graubert, chairman of the history department of the university, whose speech was entitled "American Foreign Policy and Individual Response."

Mrs. Frieda Meyling was awarded the mystery package and other prize winners were Mesdames Irene Argelan, Ethel Lerch, Anna North, Anna Kunzman and Betty Weston.

Refreshments were served by the month's hostesses, Mesdames William Guth, Josephine Uram and Rose Wickman.

The next meeting, scheduled for March 6, will be an all-day meet to begin at 10 a.m. A covered dish luncheon is planned.

The hostesses, Mrs. Ethel Rogers and Mrs. Davis, will serve coffee and dessert. Each member is to bring handcraft she has made in the past year, to be put on display.

Other members present were Mesdames Elizabeth Kelly, Kay Kruscheck, Loretta Haack, Marjorie Ogramovich, Charlotte Tempel, Ann Turnbull, Harry Schoenmaier, Ann Pare, Carly Hoffman, Ada Kelly, Ann Tucker, Glenda Ozburn, Carolyn Brockmann, Elmer Beckman, Betty Rainwater and son, Betty Holt, Genevieve Hill and three guests, Mrs. Margaret Broyer, Woody Lynn and Ethel Lerch.

BROWNIES MEET AT ST. ELIZABETH

A regular meeting of the Brownie Troop 72 of St. Elizabeth school, was held Wednesday afternoon at the school.

The meeting was conducted by the president, Mary Leile, who asked the patrol leaders to present a flag ceremony and give the Girl Scout promise.

Patrol leaders are Judy Cahoon, Margaret Barth and Rene Besta. A report was given by Patty Guth. Following the business meeting, the scouts divided into their patrols for roll call and a work period.

This meeting, the scouts worked on valentine gifts for their mothers and planned a valentine party for the troop to be held on Feb. 13.

Mrs. Gloria Besta, leader, provided a cake for the meeting since she was celebrating her birthday. She was assisted at the meeting by her co-leader, Mrs. Martha St. Ivany.

Those present were Mary Barth, Rene Besta, Ann Dickhaus, Judy Cahoon, Kathleen David, Patricia Dooley, Debbie Puchs, Jane Gabriel, Jeanne Gibbs, Patty Guth, Patty Gregg, Raylene Homela, Theresa Lehmkuhl, Jane Parker, Mary Piser, Nancy Thompson, Andria Renack, Rhonda Roberts, Gayla St. Ivany, Mary Kay Sauturo, Lisa Hartman, Vicki Kubelka, Lisa Leile and Theresa Friedrich.

16TH BIRTHDAY OF PAULETTE VOLOSKI

The sixteenth birthday of Miss Paulette Voloski, daughter of Mr. and Mrs. Charles Voloski, 1610 Seventh street, was observed Saturday evening with a party held in her honor.

Mrs. Toni Kay Hunter, cousin of the honoree, provided a "sweet sixteen" corsage which was worn during the evening.

A valentine motif was carried out in the table appointments and in a cake baked by Mrs. Voloski and decorated for the occasion.

Those present were Diane Blattner, Gail Stagner, Charlene Voloski, Richard Fulcher, Jim Rhoads, Jim Caffrey, Terry Joe Strain, John Rhoads and Mrs. Marion Stewar, aunt of the honoree. Gifts were opened during the evening.

At the conclusion of the discussion, the hostess served cherry pie, ice cream and coffee, assisted by Mrs. Ebersold.

LITERARY CLUB TOLD OF FAMOUS GARDENS Mrs. Estella McBrien was hostess to the Madison Literary club in her home, 1620 Second street, Friday evening. The vice-president, Miss Grace Drickman, presided over the meeting in the absence of the president, Miss Bear Carr, who was ill.

The meeting was opened with the pledge of allegiance to the flag, followed by the reading of a Chinese poem, "Morning Glory and Blades of Grass." A letter of acknowledgement was read from the Purdie School for Girls, and a donation was made for the Voice of Freedom.

MRS. LAUB HOSTESS TO CANDLELIGHTERS Mrs. Arlene Laub entertained the Candlelighters card club in her home, 3278 Westchester drive, Wednesday evening.

Pinochle was played, and those winning prizes for highest scores were Mrs. Arlene Morley, first; Mrs. Lois Cruise, second; Mrs. Betty Res, third; and Mrs. Norma Loftus, floater prize.

Mrs. Laub used a valentine theme in her decorating, beginning with the tally cards, which were red paper hearts on white lace doilies. The dining table was decorated with white, paper lace place placemats and a centerpiece ran from each place setting. Hearts and candy served as favors.

The hostess served a dessert luncheon to the prize winners and Mesdames Shirley Brown, Donna Hogan, and Doris Thompson.

The next meeting will be held at the home of Mrs. Arlene Morley, 1616 Second street, Madison, on Feb. 20.

Farm Column

By IRUMAN W. MAY
Madison County Farm Adviser

Possible new crops for this area was one of the interesting subjects discussed at the annual two-day school of the St. Clair-Madison-McNroe Vegetable Growers' Association at the association hall near Caseyville recently.

Rosecoe Randall, area adviser in fruit and vegetable production, University of Illinois, leading the discussion, mentioned several crops that might be grown more extensively here. One of these was strawberries, grown on a hilly pickem basis, using some of the new improved varieties. Blueberries are another possibility. A few are now being grown successfully. Demand has been increasing, although markets have to be developed, just as with any new crop. Raspberries also sell readily, but they have some serious disease problems.

Several oil-producing crops can be grown on diverse acreage in crop control. Crops such as sesame, safflower, guar and sunflowers, but none of these except sunflowers do very well here. Another crop sometimes considered is sugar beets, but government acreage quotas are available only in certain areas through sugar refineries. Yield tests in Illinois and Indiana indicate they are less profitable than soybeans.

Large fruits might be grown profitably in some situations. Dwarf apple trees require little space and start bearing in three years. Demand for peaches is increasing, but cold weather is a hazard here. It is believed the crop will be very short in 1963.

TWO GREEK ARMY CAPTAINS who completed a four-week training program at the Granite City Army Depot to study maintenance and storage operations. They were Capt. The Greek captains also studied flood control with the District Engineer office in St. Louis and water purification in St. Louis. While here they toured Granite City Steel Co.

because of the severe winter-kill.

A crop that offers some good possibilities is grass soil for establishing new lawns. Several new varieties of grass, more satisfactory than ordinary blue grass, are now available and should be used in new plantings for soil production. Much soil is purchased from farmers near the metropolitan area every year, used chiefly in the new suburban communities.

Horseshed growers at the vegetable school were quite interested in a talk by Lyle Hale, superintendent of the Huntshire Farms at Eau Claire, Wis., largest horseshed growers in the country with about 400 acres each year. Their growing season is much shorter than our area, as they are about 500 miles north. They plant the horseshed sets in both spring and fall, and harvest each planting a year later.

The Huntshire Farms are located in old swamp land, with peat soil, well suited to horseshed production. All operations are highly mechanized, with four-row planters and harvesters. Roots are processed in sheds equipped with belt conveyors and sorting tables. Their acre yields are somewhat less than in

the Madison-St. Clair area, and damage from plant disease is also less.

Production of horsehens in the United States in 1962 is estimated at 15 million pounds. An estimated nine million pounds, or 60% of the total, was grown in Madison and St. Clair counties.

Members of the Southwestern Illinois Angus Breeders' Association will hold their 17th annual sale of registered Angus breeding cattle in the livestock auction arena at National Stock Yards Feb. 19, starting at noon. Madison county consignors are Don Heuer, Leslie Knoel, Delmar Meffert and Maurice C. Hull, president of the association. There will be 40 head of cattle in the sale, from 12 southwestern Illinois counties. A registered Angus heifer will be awarded as an attendance prize.

The new auction arena is proving to be quite popular with livestock producers and buyers. It is considered one of the finest in the country, with private loading chutes and runways entirely separate from the stockyard. The building is constructed entirely of concrete and steel, with heated sale ring, comfortable theater-type seats and a snack bar.

The herd of 24 Holstein cows owned by Alfred Henne of Wenden had the highest average milk production in the 1962 Weigh-A-Day-A-Month program in Madison county. The average production per cow was 12,670 lbs. of milk.

Other high herds in WADAM, ranked by average milk production per cow, were owned by Gus Engle, Raymond Moebie, Emil Suhre, Melvin Wolf, Elmer Schaeke, Raymond Blase, Wilmer Hemann, Clarence Liery and Udell Wehling. These herds all averaged more than 10,000 lbs. of milk per cow.

Let's remember that the purpose of high milk production per cow is to produce milk more efficiently, not just to produce more milk. The Weigh-A-Day-A-Month program enables a dairyman to identify the inefficient, surplus-producing cows. If you are interested in taking advantage of this system of keeping production records, notify the farm adviser's office and we will be glad to give you more information.

Apply fertilizers now to cornstalk and other stubble land that will be planted into corn this spring. Doing the job while the ground is frozen will lessen your work load when the weather gets good. Where land is not subject to erosion, fertilizers applied in the winter do just as well as those applied later.

Nitrogen topdressed on small grains at this time of year can pay big dividends if this nutrient is lacking. As much as 30 to 60 pounds of actual nitrogen can be applied with profit. The rate, of course, must be determined by the soil needs.

Three new alfalfa varieties have joined the Illinois recommended list for 1963. They're Cody, FD-100 and Moapa. University of Illinois agronomists say that Cody yields well and has the same winter-hardiness and disease resistance as Buffalo. FD-100 is best used in short rotations and is similar in yield and performance to DuPuits and Alfa. Moapa is recommended as a catch crop for slow-down, but it lacks winter-hardiness. Farmers needing alfalfa seed this spring should be placing their orders.

The cold weather has been expensive for livestock farmers,

No New Filings For 3 Nameoki Twp. Offices

No additional filing for Nameoki township's April 2 election were reported this morning at the town hall. The filing period ends at 4 p.m. today. Town Clerk John Karlechuk has announced.

Two complete tickets have been filed. The Continued Progress Party tickets includes the incumbents—Harry Briggs for supervisor, Charles Werner for assistant supervisor and Charles Hanks for highway commissioner.

Heading the second ticket, the Township Trustee Party, is Town Assessor Joseph Cohen for supervisor, Raymond Gault for assistant supervisor and Harold Massa for highway commissioner.

especially for dairymen and poultry producers. The low temperatures have required extra care for farrowing sows and little pigs. Frozen water lines have caused a lot of trouble. Milk production has been reduced in many herds by about 10 to 40% on daily egg yields.

Terry Van In State Scout Citizenship Day Program

Terry Wayne Van, an Eagle Scout, is representing the Cahokia Mount Council at the State Scout Citizenship Day program in Springfield today. He is an Ale Explorer in Explorer Squadron Eight, which is sponsored by the First United Presbyterian Church of Granite City.

Jack Friedman, chairman of the council advancement committee, which made the selection, commented today that Van is an outstanding scout. He first became a cub scout in Pack 20 in 1954. In 1956 he became a Boy Scout in Troop Eight, and has had a continuous scout registration since 1954.

"During the past three years, the council has had outstanding representatives participate in the statewide Scout Day," Friedman said. Last year David McIlroy was the council representative and was elected Illinois secretary of state at the ceremonies.

DELEGATE to State Scout Citizenship Day today in Springfield is Terry Van, Granite City, an Eagle Scout of the Cahokia Mount Council.

will be the principal speaker at the luncheon.

Van is the son of Mr. and Mrs. Albert Louis Van and lives at 2145 Willow avenue. He attends Granite City high school, where he is a "B" student, plays the trombone and is drum major in the band.

Plans To Teach Music

He plans to major in music education in college and to become a junior high band teacher. He is vice-president of the Modern Music Masters and a member of the Band Lettermen's club.

His church also has played an important part in his life. He has been in a church choir for 11 years. He has represented youths on a church nominating committee, has been active in raising the youth budget and is moderator for the Senior High Fellowship. In 1961, he received the God and Country award.

Besides taking part in church, school and scout activities, he finds time to participate in intramural sports, swimming classes at the YMCA and art classes, and to play in a dance band. He believes that his church, the high school band and scouting have been a great influence in his life.

this line, and the committee based its selection on this."

Gitchoff compared the employment of the Chester Engineers to "going to a specialist instead of a general physician." The local engineering firm had prepared state-approved initial plans for separation of the city's present combined sanitary storm water sewers and a \$1,200,000 treatment plant to handle the sanitary sewage only.

It was brought out during the special committee's interviews with seven engineering firms that design of the treatment plant would have to be altered to handle the entire flow of sanitary and storm water.

Items In Agreement

Under the revised agreement, Chester Engineers will provide eight services to the city for the extra \$25,000 fee, Zauban stated. They include reviewing all existing plans; making additional surveys to gather data on the amount of flow in the sewers and determining characteristics of solids.

Meeting with representatives of local industries; consulting with officials of the city, state Health Department and U. S. District Engineers.

Preparing preliminary designs and estimates of both construction and operating costs for a sewage treatment plant, pump stations, trunk sewer on the basis of treatment of all present wastes and without wastes of industries which may build their own treatment plants.

Preparing reports on findings and conclusions for study by the city and state Health Department; assisting the city in obtaining a federal grant and consulting with the city in determining the most advantageous method of financing.

SOCIETY

Central Christian CWF Holds Buffet Supper, Meeting

Approximately 75 were present Thursday evening at a buffet supper and meeting of the Central Christian Women's Fellowship of Central Christian Church.

Mrs. Kay Davison, president, conducted the meeting held at the church, 2020 Johnson road, and a report was made of 94 sweaters collected to send to Hong Kong.

A letter was read from Miss Helen Gilbert, a missionary from the Christian Church (Disciples of Christ) and a member of the local church who is now in the Congo, and plans were made for the Boy Scout Blue and Gold banquet to take place at the church Tuesday. The ladies were asked to volunteer their services.

An announcement was made of a meeting of the Seventh District Christian Church in St. Louis on Feb. 26, when Mrs. Betty Eriewine, a missionary from the Congo, will be guest speaker. The local church will be in charge of the worship service.

A guest speaker at Central Christian Church next month will be Rev. A. J. Collins of Murphysboro, Ill.

A playlet entitled "Growing Up, or Only Growing Older" was presented by Mrs. Doris Edwards, Mrs. Marie Gordon, Mrs. Madge Hanson, Mrs. Lena Selzer, Mrs. Myra Parrish and Mrs. Velma Gruen. Devotions on the same topic were given by Mrs. Margaret Belt.

TAKE PART IN TV TELETHON

Several telephone operators from this area, members of the Live Wire PIX Club, took part Sunday in the March of Dimes Telethon over a St. Louis TV station.

They were Mrs. Darlene Garceau, president of the club, Mrs. Steven Cook, Mrs. Shirley Lane, Miss Jo Ann Goert, Mrs. Dolores Allen and Mrs. Mary Ann Kruk.

Birthday Party For Linda Parish

Mrs. Norman Parish, 2808 Warren avenue, entertained guests at a Valentine birthday party Saturday afternoon in honor of her daughter, Linda, who was five years old.

Friends and friends carried out the Valentine colors and guests were Sam and Rhonda Smith, Keith and Brad Cross, Jeff and Jay Krummel, Dwayne and Cheryl Kelly, Randy, Jimmy and Eddie Belling, Valerie and Vicky Johnson, Kathy Van Gant and the honoree.

The birthday cake was decorated with hearts, and a comic film provided entertainment. Refreshments were served and small plastic hearts filled with candy, and toys were given the children as favors.

Additional guests at the Parish home in the evening were Mrs. Rebecca Parish, grandmother of the guest of honor, and her great-grandmothers, Mrs. Betty Caton and Mrs. Essie Van Gant.

Mrs. Joyce Johnson and Mrs. Caroline Belling assisted the hostess.

'Friends' Night' At OES 650

Granite Chapter 650, Order of Eastern Star, observed "friends night" in connection with a regular meeting Friday evening.

Friends of the officers held all stations, and after the meeting the members and guests were entertained in the dining room. A flower lei was presented to each one and cups, small and flowers decorated the room and tables. Entertainment was provided by the Rayburn sisters and included in their repertoire were tap, ballet and authentic Hawaiian dances. One of the sisters, Miss Jill Rayburn, danced with the Municipal Opera last season.

12 Attend Ruth Circle Meeting

Ruth Circle of Niedringhaus Memorial Methodist Church met Thursday evening in the home of Mrs. Wayne Burk, 54 Cambridge drive.

Mrs. Elsie Henley presided and Mrs. Warren Minkins, a guest, gave the lesson, "The Age of the Church," taken from the study book "Who Cares?"

Twelve members attended and made plans for presenting the lesson at the general meeting of the Women's Society of Christian Service Tuesday evening.

VFW Auxiliary

Airs Cancer Fund, Korean Program

The Auxiliary of VFW Post 1300 met Friday evening at the VFW hall with Mrs. Doris Loyd presiding. Twenty-seven members were present.

Contributions were made to the Cancer Fund and Holy Cross Cancer Research. The group also donated to the Korean War Veterans to assist in establishing homes for those who served in new homes.

Mrs. Helen Wardlow reminded all of help needed in the cancer program and a report was given by Mrs. Catherine Rohus, Poppy chairman, of that drive now getting underway. Individual contributions were made to the Child Welfare program and the members were reminded of the chili supper March 2 being given by the Junior Unit to raise funds for their banner.

A party for 50 veterans at the Alton State Hospital Jan. 17 was reported on by Mrs. Rita Hart, hospital chairman. Refreshments were served and tray favors for the party were made by the Junior Girls' Auxiliary.

Refreshments were served by the hostesses, Mrs. Mamie Hoffman, Mrs. Doris Loyd and Mrs. Shirley Leisner.

Surprise Shower Honors Mrs. Hines

Mrs. Rosemarie Hines was complimented at a surprise pink and blue shower Sunday afternoon given by Mrs. Helen Potter, Mrs. Lucy Link and Mrs. Josie Davis in the fellowship rooms of St. John Lutheran Church.

Present were Mesdames Audrey Conrad, Lydia Boda, Olive Settlemire, Pat Azari, Mary Vanosky, Mary Coll, Gerry Pool, Helen Salter, Esther Papp, Esther Henke, Mary Poodvny, Johnetta Roberts, Denise Schmitz, Clara Hafner, Dorothy Rabon, Jean Harris, Betty Orsborn, the honoree and Miss Georgia Vaughn.

The pink and blue color scheme was carried out at the shower and games were enjoyed by the group. Refreshments were served and a number of prizes were awarded.

SPRING PLANS MADE BY GIRL SCOUT LEADERS

The February meeting of Girl Scout leaders of Neighborhood Three was held Thursday at Nidringhaus school, with Mrs. Louis Santagato, neighborhood chairman, in charge of the business session.

Mrs. Santagato led the leaders in the pledge of allegiance and the Brownie and Girl Scout promises. Mrs. Otto Fischer, secretary, and Mrs. Norman Stotz, treasurer, gave reports and Mrs. Otto Willavert, cookie chairman, reported on the cookie sale kick-off.

The international pot luck dinner at Nidringhaus Memorial Methodist Church March 14 was discussed by Mrs. Dee Green and Mrs. Rex Buckingham. Neighborhood Three is to represent the Far East.

Mrs. Robert Sanders gave dates of scheduled training courses this spring. Mrs. Santagato announced that scouts and leaders should attend church in uniform on Girl Scout Sunday.

Tentative plans were made for "Mid-East" at Camp Lakota in May with Mrs. Frank Soellner and Mrs. Billie Koester as chairman.

New council delegates are Mrs. Buckingham and Mrs. Jeanne Kelaiah and Mrs. Ray Selbert is to be the new treasurer, with Mrs. Henry Hellich as new camp chairman.

Three new leaders Mrs. Mary Ahlers, Mrs. Margaret Kwiatkowski and Mrs. Billie Koester were welcomed and were presented with word pins. Mrs. Fischer received a five-year pin.

Consultants were announced for each troop, and Mrs. Fred Kammann served refreshments to 23 leaders.

Dr. Coleman Honored For Service At Khoury Banquet

Dr. Coleman, Granite City dentist, was one of 15 persons honored by the George Khoury Association of Baseball Leagues during the 77th anniversary dinner yesterday at the Chase Hotel in St. Louis.

Dr. Coleman, who helped organize and promote the Khoury-affiliated police leagues for boys here during the seven-year period of beginning in 1951, received a meritorious service award in the form of a plaque at the dinner, the third held to raise funds for a Khoury baseball stadium project in St. Louis.

In accepting the plaque, Dr. Coleman said his efforts would not have been successful without the assistance provided here by industries, the Granite City police department, park district, Granite City school board, church organizations, vendors, service clubs, building contractors and the boys who participated in the original leagues.

Dow, A. O. Smith In Industrial Wins
Dow Metal Products held off against a fourth-quarter rally by Granite City Steel Co. to win 68-63 and A. O. Smith Corp. led all the way in defeating Midwest Air Products 59-50 in Industrial league play yesterday at the YMCA.

Bobby Felton's 23 points led the Smith cagers, although Bill Page took game honors with 27 for Midwest. A. O. Smith led 25-25 at halftime.

Balance was the key to Dow's win, as Howard Silas rimmed 15 points, Jim Young 17 and Charles Mitchell 15. Larry Heise totaled 17 for GC Steel.

Eller Inquest Set Tomorrow Night
An inquest is scheduled at 6:30 p.m. tomorrow at the Sedlak Funeral Home in Marion into the Jan. 28 death of Cleo H. Eller, 52, of 1914 Edwardsville road, who suddenly collapsed after alighting from a railroad engine at the Granite City Steel Co.

The inquest will be conducted by Deputy Coroner John Sedlak.

Lillian Jaimes of Collinsville. The hostess served refreshments to the above and Mrs. Frieda O'Guinn and Mrs. Grace Huebner.

Oil Still At Site Of Tanker Crash

Residents at Route 111 and Sand Prairie road are seeking assistance from the state highway department for removal of crude oil which spilled from a 600-gallon tank truck which overturned several weeks ago.

Pools of oil remain at the scene, creating a fire hazard, and also threatening to flow into Horseshoe Lake where it is expected the oil will kill fish.

Moran Tavern In County Looted By Burglars
Thieves broke the lock on the front door of Moran's Tavern, 6200 Marvilline road, to gain entry, and stole cash and merchandise totaling \$180 in value. The break-in was reported to the sheriff's office at 1 a.m. Sunday.

Vending machines and a pool table were left for cash and all cigarettes were stolen from a machine. Whisky valued at \$50 also was taken. Deputy Sheriff Tony Petrillo of Granite City investigated.

St. Louis Men Charged After Chase On Bridge

Two St. Louis men entered guilty pleas by failing to appear at hearings today on charges stemming from incidents yesterday including a high speed police chase across McKinley Bridge in Venice.

Police said an auto in which they and a third man were riding did not stop at the bridge toll station. A toll collector signaled a police car to close by and police gave chase.

They said the driver of the auto, Thomas Moss Jr., 22, ignored the siren and red light and had to be forced to a halt after driving west across the bridge. He had to be subdued, they said.

Moss, charged with failure to stop, resisting arrest, speeding and refusing to obey a red light and siren, forfeited \$500 cash bond at today's hearing scheduled before Venice police magistrate Wesley Edwards.

A passenger, John Elancho, a 21-year-old Port Leonard Wood, Mo., soldier, was charged with disorderly conduct and forfeited \$10 cash bond by failing to appear.

Police said the third man, Gerald Dawson, 23, was charged with drunkenness and disorderly conduct. He is from 8401 Ash bond after a continuance to Saturday was granted today.

Sudden Attack Fatal To Jerry Snyder, 65
Jerry F. Snyder, 65, of Rural Route One, Granite City, was dead on arrival at St. Elizabeth Hospital at 5:30 p.m. yesterday after suffering an apparent heart attack.

Mrs. Snyder had been under medical care for a heart ailment, she said. Her husband was a seaman at the Granite City Steel Co.

A relative of Sardinia, Ohio, he had been a Granite City resident about 40 years. He had made his home for 12 years along Slough road.

Survivors include his wife, Adele; a son, Arthur, at home; a sister, Mrs. Louis Wilson, St. Louis; and a brother, Arthur Snyder of Los Angeles.

Funeral arrangements appear in the obituary column.

Hole Burned In Auto Seat By Pipe Causes Crash
Slight damage was reported to two autos involved in an accident about 11:30 a.m. Saturday at 27th street and Madison avenue.

Robert E. Scott, 27, of 2209 Glenn drive, told police, however, that he dropped his pipe and burned a hole in the auto seat.

Police said he was stopped before an auto driven by Leroy E. Daugherty, 19, of 2301 Oregon avenue, at the stoplight. Daugherty decided to back up and park and the collision resulted.

Free Sites, Unfilled Bid
One, proposed by the Tri-Cities Chamber of Commerce and Northwestern Illinois University, was on the new SWU campus. The other, in Alorton, was offered by the East St. Louis Chamber of Commerce.

Free St. Louis site proposals also were made last year by the St. Louis Metropolitan C. of C. and St. Louis Metropolitan Sewer District.

"An effort was made last year to strengthen the entire area's bid for the location of the laboratory facility," Liechtenberg recalled.

In December, MECCA joined forces with the St. Louis C. of C. and made a strong, unified bid to have the bi-state metropolitan area designated, leaving the exact location to the discretion of Public Health Service officials.

Nine Courses To Be Offered In Police School

In cooperation with the Federal Bureau of Investigation, the sheriff's office will conduct a police training school in March with nine courses to be offered with law enforcement officers.

Sheriff Barney Fraundorf said the classes will be held from 1 to 3 p.m. in the board of supervisors room at the court house. He said state police and sheriff's office personnel also will aid in the presentation.

The class schedule follows:

March 5—Report writing and note taking, taught by Edward A. Carpenter, special FBI agent and Chief Deputy Sheriff George Kramich; and Collection, preservation and identification of evidence, a film.

March 7—The Constitution and the law enforcement officer, Walter E. Moehle, FBI.

March 12—Searches and seizures, Herman O. Lytle, FBI.

March 14—Fingerprint fundamentals and latent prints, Eugene W. Irvin, FBI.

March 19—New Illinois Criminal Code and state laws, Madison County state's attorney's office.

March 21—Accident and auto theft investigation, state police.

March 26—Narcotics, state Narcotics Bureau.

March 28—Panel on handling and preparing investigation and case for court by State Police Capt. Emil Toftant, Sheriff Fraundorf and FBI Agent Moehle.

101,492 Motor Vehicles In County During 1962

Nearly one out of every two persons in Madison County owned a motor vehicle in 1962, according to a motor vehicle registration report completed last week in Springfield.

The county, with a population of 225,000, registered 101,492 vehicles, including 83,995 passenger cars, 11,193 trucks and buses, 512 semi-trailers, 856 motorcycles and scooters, and 132 taxis and ambulances. In addition, there were 195 dealer-inventory licenses issued.

Statewide, the vehicle registration was 4,193,466, up 133,045 over 1961. The 1962 total included 3,496,223 passenger cars.

Arrangements for inspection may be made by contacting the security disposal officer where the property is located, between 9 a.m. and 3 p.m. Feb. 20 to March 12, exclusive of Sundays, Saturdays and holidays.

Complementary copies of the security disposal catalogues may be obtained by contacting the Defense Surplus Sales office, Defense Logistics Services Center, at the depot.

Youth Held In School Break-Ins Makes Bond

Billy Gene Farless, 20, of 4544 Walter avenue, was released on \$5000 property bond Thursday afternoon by Police Magistrate Casparovic. He is charged with Charles G. Warrack, 17, of 4591 Reville lane, with burglary and larceny in connection with a January weekend spree of school and service station break-ins and vandalism.

They were arrested Jan. 21 with a stolen auto in their possession. They waived preliminary hearings and were bound over to the grand jury.

Farless was in the county jail from the time of his arrest until Thursday, having failed to make the bond set at his arraignment.

PAST PRESIDENTS
VALENTINE LUNCHEON

The February meeting of the Past Presidents Parley of Venice-Madison American Legion Auxiliary Unit 1277 was held Wednesday evening.

The president, Mrs. Jackie Leatherman, conducted the meeting and it was decided the group will serve the Carman Union Association on Feb. 12. Committees were appointed for the dinner.

A new member, Mrs. Mildred Sannell, was initiated. A social hour followed the business session, and games were played, with prizes going to Mesdames Irene Baker, Hazel Hinson, Jessie Henderson, Ann Zalawski and Elizabeth Hart.

A luncheon was served from tables decorated in a valentine theme by the hostesses, Mrs. Leatherman and Mrs. Baker.

Others present were Mesdames Dorothy Hinson and Laella McCoid and Mesdames Frances Cowley, Ann Taylor, Dorothy Bergrath, Rose Hinson, Elizabeth Bergrath, Kathryn Fellers and Mary Dittman.

Hostesses for the next meeting will be Mrs. Thelma Gontenman and Mrs. Viola Whiteside.

MRS. MILLER
ENTERTAINS CLUB

Mrs. Edna Miller was hostess for a meeting of the Christmas club held Wednesday afternoon in her home.

The afternoon was spent at games, and prizes were won by all.

The hostess served refreshments to Mesdames Ora Anderson, Naomi Boelling, Jessie Foley, Hester Chlenberg, Margaret Painter and Hazel Painter. The next meeting will be at the home of Mrs. Jessie Oehler.

Besides serving on the surgical staff of St. Elizabeth Hospital in Granite City, Dr. Lay also is associated with St. Elizabeth's Hospital, Belleville, and is chief of the emergency room at St. Mary's Hospital, East St. Louis.

At the present time, Dr. Lay is a candidate for the American College of Surgeons.

For this meeting Dr. Lay has chosen as his subject "Treatment and Care of Emergencies Encountered in the Hospital."

All nurses, professional and practical, employed by St. Elizabeth Hospital are expected to attend this program.

The February meeting is the second program offered in the current series. By offering this educational service, St. Elizabeth Hospital is able to keep the professional personnel informed as to changes in medical and surgical techniques.

All professional nursing personnel in the area are invited to attend the program.

Minor Damage To Autos
Two autos were damaged in an accident at Niedringhaus and Grand avenues about 1:15 p.m. Thursday. The drivers were Walter Rucyelt, 36, of 2018 Lindell Blvd., and Pauline J. Bausch, 46, of 2431 East 25th street, police said.

Harvey Drake Dies; Former GC Resident

Funeral services were conducted yesterday afternoon at the home of a niece at Boudin, La., for Harvey Drake, 86, a former resident of Granite City who died Thursday night at the home of a niece at Boudin, La., where he had lived two years. He was buried at Eidon.

Mr. Drake had been in declining health for several years and suffered a fractured hip in a fall six weeks ago. He had been stricken with two strokes since then.

A former employee of the Union Starch & Refining Co., Mr. Drake left Granite City about 18 years ago. He was a member of the Third Baptist Church here and a 50-year member of the Knights of Pythias.

Survivors include a stepson, Earl LaMar, of St. Louis; a brother, Ordo, of Iowa; a granddaughter and one great-grandchild. Mr. Drake's wife, the former Ora LaMar, preceded him in death three years ago.

Light Quad-City Traffic Toll In January

The new year has started on a relatively encouraging note with a lighter-than-usual traffic toll for January.

During the first month of 1963, auto accidents numbering 132 were recorded in the Quad-Cities and immediate surrounding area. Persons suffering injuries totaled 48.

Although the number of days without a fatality has since been halted at 56, there were no traffic deaths in January.

Below 1962 Pace
The statistics of 132, 48 and none compare with 185 crashes, 60 persons hurt and none killed in January 1962. During all of 1962, the monthly averages were 136, 65 and two.

In the number of collisions, the month just ended was the lowest for January since 1938 and the lowest for any month since October 1962. January injuries were the fewest since October or, for a January, since 1938.

January Traffic

	Accidents	Injuries	Deaths
1963	132	48	0
1962	185	60	0
1961	138	63	0
1960	135	70	1
1959	173	87	8
1958	119	59	0
1957	181	64	5

1954	96	50	3
1953	107	41	1

1956. During the past decade, 20 months have had no auto deaths.

While Quad-City area traffic remains unpredictable, some patterns have developed during the period in which detailed tabulations have been maintained by the Press-Record, in cooperation with local, county and state traffic officers.

130 Crashes, 60 Hurt Monthly

Listed on a monthly average basis for each year, collisions showed an 85-month pace in 1953, rising to 95 the following year and 131 in 1955. The averages have since leveled off at close to that point, amounting to 128 in 1956, 138 in 1957, 122 in 1958, 135 in 1959, the record of 144 in 1960, 137 in the following year and 136 in 1962.

Monthly injury averages have climbed from 36 in both 1953 and 1954 to 57 in 1955, 50 in 1956, 51 the following year, 52 in 1958, 61 in 1959, the peak average of 67 in 1960, 66 in 1961 and 65 last year.

Monthly fatality rates range from one and a fraction to two and a fraction, reaching the record three and two-thirds month average in 1954.

Yearly traffic death tallies were 24 in 1953, 44 in 1954, 28 in 1955, 27 in 1956, 28 in 1957, 23 in 1958, 24 in 1959, 19 in 1960, 25 in 1961 and 20 last year.

Historical Notes On River Traffic

January Canal Traffic Up Despite Bad Weather

In spite of freezing temperatures during January, the number of vessels and the total freight tonnage on the Chain of Rocks canal increased over the same month last year.

A total of 1858 vessels passed through Locks 27, up 155 over January 1962. Freight totaled 1,033,269 tons, up 76,684 tons over 1962. There were 381 lockages in January, 81 less than in January, 1962.

Upbound freight included petroleum products 234,650 tons; grain 1200 tons; coal 112,500 tons; cement, sand & gravel 20,400 tons; sulphur 18,700 tons; miscellaneous commodities 122,729 tons; iron & steel products 17,229 tons and chemicals 32,200 tons. Total 859,329 tons.

Downbound freight included petroleum products 80,700 tons; grain 382,750 tons; coal 500 tons; cement, sand & gravel; no sulphur; miscellaneous commodities 22,100 tons. Total 535,150 tons.

modities 22,100; iron & steel products 31,600; and chemicals 15,900 tons. Total 535,550 tons. The freight included 1,092,879 tons of commercial cargo and 390 tons of government cargo.

Commercial vessels included 103 towboats, 1347 barges and 95 U.S. contractor boats. Government vessels included four patrol boats, six barges and two private recreation boats.

Col. Alfred J. D'Arenzo, district engineer, U.S. Army Engineer District, St. Louis, said that completion of navigational tonnage statistics, now under way, may bring for the year 1962 another record-breaking year for waterborne commerce on the middle Mississippi river. Tonnage through the Mississippi locks for 1962 was about 15% greater than in 1961.

Historical Notes
In 1924, the middle Mississippi river carried only 90,000 tons of commercial traffic. By 1962, the peak of the golden era on the Mississippi, the tonnage was 2,251,523 tons. Newer means of cheap, fast transportation cut river traffic to \$10,230 tons a year at the turn of the century. By 1910, the figure had shrunk to 196,965 tons.

Then, a gradual growth came about until 1950. Since then, there has been a rapid and steady growth, averaging an annual increase of more than 1-1/2 percent.

In the river packet era of the 1800's, a vessel carried only 300 to 400 tons of cargo. Recently, the M/V Eleanor Gordon passed through Chain of Rocks Locks 27 carrying 15 barges containing 23,000 tons of coal products.

Towboat design has become highly specialized. The vessels vary from 800 to 9000 horsepower or with one to four screws. They carry an average crew of 20 men and have modern and comfortable living quarters. Many are air-conditioned and are equipped with television. One of these, the 3200 horsepower Gertrude C. Hutchinson can push a 10,000-ton tow 180 miles upstream in a day's run.

Since 1945, dozens of new terminals and other port facilities have been added along the middle Mississippi to accommodate the growing number of commodities now being shipped by water.

McBride Tells Optimists -- 'Know Your Community'

"Know what's going on in your community" was the title of a talk given by John McBride at the Granite City Optimist Club luncheon meeting Thursday at the Elks Club.

McBride, who is vice-president and general manager of Union Starch & Refining Co., advised the 40 club members to become acquainted with tax, political, and school problems as well as

other phases of the community. "Don't be afraid to speak out and let your thoughts be known," he said.

B. C. "Tip" O'Neill was program chairman.

E. E. Veith Jr. announced the club's "ladies' night Valentine" Thursday evening at Tony's party will be held next restaurant near Mitchell. It will replace the luncheon meeting. A social hour will start at 6:30

No County-wide School Fund Drive For Museum

County School Supt. Wilbur R. L. Trimpe said Friday an drive for school contributions to the Madison County Historical Museum will have to be handled separately by individual districts.

Some districts have rules against solicited such contributions from students, Trimpe said. He said he feels his office is in no position to take part in such a drive.

A. Edson Smith, president of the Madison County Historical Society, suggested the drive at a school administrators' meeting conducted by Trimpe last week at Edwardsville.

Smith said the museum will be a benefit to schools of the county and one room will be set aside as a children's section. He said a dime from each of approximately 60,000 school children in the county would be a great help to the fund.

An estimated \$25,000-\$30,000 is needed to purchase and renovate the Weir house in Edwardsville sought as a museum home, Smith said.

Trimpe said Smith had his permission to attend the meeting and address the school officials, but he Trimpe, took no part in the discussion.

Taverns To Get Signs

In a renewed effort to cut down on teenage drinking, Sheriff Barney Fraundorf today announced that new signs will be posted by deputies in all Madison county taverns. The signs define the legal age for drinking intoxicants and penalties for infractions of the law.

Another way **ELECTRICITY** POWERS PROGRESS!

Imagine, if you can, a world without electricity!

No electric light? No radio, TV, movies, washers, refrigerators? No X-ray, no power tools?

Impossible? Actually it was only a brief 84 years ago that Thomas A. Edison invented the first practical electric light and opened the doors to our new era of electrical achievement. So

isn't it fitting that, each year, the nation observes National Electric Week to commemorate his birthday—February 11th?

Here in Illinois on farms, in homes and in factories, electricity works for pennies . . . to create jobs, to make living easier and better. Illinois Power is proud of its continuing contribution in helping our customers power progress with electricity.

City Sales Taxes Top \$264,000 In 11-Month Span

Local city sales taxes netted \$241,610 for municipal treasurers in November—\$20,228 more than the City, \$354.4 for Madison and \$778 for Venice— it was announced today by the Illinois Revenue Department.

Eleven month figures are \$215,088 for Granite City, \$38,332 for Madison and \$10,042 for Venice, an aggregate of \$264,044 for the Quad-Cities.

This is only \$233 below the record yearly figures of \$264,277 reached in 1950, and there is still one month to be added.

Wage Dispute Settled, Station Picketing Ends

Picketing was halted at the Belleville Cities Service Station at 3200 Nameoki road Thursday night after early settlement of a wage dispute, a union official said today.

L. F. Baum, business representative of Local 971 of the Automotive Petroleum and Allied Trades Union at Belleville, said operator Louis Rousseau agreed to the union's demands.

Picketing began at the station Wednesday morning. The union maintained that a former employee was back pay because he had been paid less than union scale and that other workers were not being paid uniform allowance and Sunday and holiday wages called for in their contract.

Rousseau said at the time he hired the employee who was the center of the dispute he believed he was paying him more than the union scale. He said he was not aware of an increase under a new contract. The employee in question was dismissed for good cause after working three months, Rousseau said.

Baum said Rousseau agreed to pay back wages to the former employee and uniform allowances and Sunday and holiday pay to present workers.

Truck And Four Autos Involved In Accident

A five-vehicle traffic accident occurred about 12:30 p.m. Saturday in the 2700 block of Nameoki road. Police charged Felix Williams, 44, of 2800 North 25th street, driver of a tractor-trailer, with driving on the wrong side of the street.

Williams told police he swerved to avoid a parked auto. He was traveling north.

His truck struck a southbound auto driven by John Bradley, 73, of 2800 North 25th street, then an auto driven by William Herring, 27, of 2501 East 25th street, which was stopped at the intersection of the northbound lane.

Police said the impact caused the Herring auto to strike the auto of Frank Griffith, 17, of 2610 Jordan avenue, which stopped in front of her. Her auto then traveled to the other side of the street and struck a parked auto owned by Paul D. Dittamore, 2804 Wayne avenue.

1963 marks 100 years of American Commercial banking ...and 22 years that banks have served the nation in the sale of U.S. Savings Bonds. On this important Anniversary the President of the American Bankers Association states:

"U. S. Savings Bonds have helped the American people to become a nation of savers."

"In their contribution to America's economic and military strength, Savings Bonds have had an important part in preserving a way of life which rewards individual initiative and makes possible the kind of progress typified in our own observance of this Centennial year.

"But in addition to this role in the national economy, Savings Bonds have made it easy for tens of millions of Americans to save for the important things in their lives. And Savings Bonds have helped the American people to become strong through savings in all forms.

"These are the reasons why bankers everywhere are proud of their part in the Savings Bond Program and why the American Bankers Association pledges its continued support."

attendance at funerals other than immediate family, or other emergencies.

Time off with no deduction in salary and no deduction from accumulated leave is granted for attendance at approved conferences and educational trips arranged by the school district.

Substitute teachers are hired in the event of absence of the regular teacher.

State Retirement Plan

Under the state retirement system, 7% of teachers' pay is deducted, with 1% providing insurance and 6% going to a pension program with which the state contributes a sum less than the teachers' contribution. Officials report, the 6% paid into the fund is refunded in full upon leaving school work.

At the request of Local 743, a written agreement on policies other than those related to salaries is to be entered into by this agreement, to promote and improve the relations between the board and the school district teachers, and to facilitate the attaining of the worthy objectives of the school district.

Article One relates that "it is the intent and purpose of the parties hereto, by entering into this agreement, to promote and improve the relations between the board and the school district teachers, and to facilitate the attaining of the worthy objectives of the school district."

Article Two stipulates "that whenever the board is considering policies which would affect teachers — their wages, hours or other conditions of employment — the superintendent would advise the union of such proposed policies in advance so that they may have an opportunity to express their opinion to the superintendent prior to the adoption of such policies, except when an emergency exists and action must be taken immediately."

Article Three says: "At the inception of negotiations, an informal meeting between union representatives and the board of education will be called for the purpose of mutually discussing any proposals of either the union or the board."

"At the conclusion of this meeting, all proposals shall be referred to the negotiating committee, which shall have the union, according to the agreement, for negotiation."

Article Four provides: "No teacher shall in any way be discriminated against or in any way adversely treated or affected for being a member of the union."

Article Five: "Upon obtaining the written approval of the individual union members thereof, the board shall check off and collect from such teachers all dues and assessments of the union, and the union shall furnish a statement of the amount due to the board, and the board of each of its members."

Article Six: "Individual grievances shall be handled as follows — each school shall have one building representative appointed by the union."

"All grievances shall be referred in writing to the building representative of the union where the grievance arises, and the aggrieved employee shall file a written grievance on the form which would include five copies."

"Copies would be filed with the principal and the chairman of schools, the superintendent of schools and the building representative of the union. Within five days after such a written grievance is filed, the building representative of the union and the principal of the school involved shall meet to resolve the grievance. If these two cannot resolve the grievance within five days after such deadline, the matter shall be presented by the chairman of the union grievance committee to the superintendent."

"If the grievance cannot be worked out between the superintendent and the chairman of the union grievance committee, two arbitrators shall be selected to represent Local 743 and two arbitrators to represent the board of education."

"An agreement is not reached in five days, the group shall select a fifth arbitrator. The fifth arbitrator shall be selected by the board of education and the board of education for final consideration."

Article Seven says: "All matters bearing upon personal character, quality or fitness of teaching staff, which are placed in 'teachers' file shall be prepared in duplicate, a copy thereof to be delivered either by mail or personal service to the teachers or teachers involved."

"Prior to such written statements, the superintendent shall discuss the problem with the teacher or teachers involved."

Article Eight: "This agreement shall be in full force and effect from July 1, 1962, to June 30, 1964, and shall continue in full force and effect from year to year thereafter unless written notice of termination is received by either party upon the other at least 90 days prior to date of expiration."

"It is further provided that where no such cancellation or termination notice is served and the parties desire to continue said agreement but also desire to negotiate changes or revisions in this agreement, either party may serve upon the other a notice at least 90 days prior to June 30, 1964, or June 30 of any subsequent contract year, advising that such party desires to continue this agreement but desires to negotiate or change terms or conditions of such agreement."

Article Nine: "Upon obtaining the written approval of the individual union members thereof, the board shall check off and collect from such teachers all dues and assessments of the union, and the union shall furnish a statement of the amount due to the board, and the board of each of its members."

Granco Designs New Steel Drainage Pipe -- Faster Flow

The Granco Steel Products Co. has developed a new design for sub-surface steel drainage pipe which holds up to 100% more water — getting rid of excessive ground water, it was announced today. Granco was formed by the merger of the Granco Steel Co. and the Granco Steel Pipe Co.

In contrast to the usual circular pipe used for underground drainage, Granco's "Full-Flow Subdrainage Pipe" consists of a smooth, half-circle bottom with an overhanging, corrugated steel top section. The design provides more "intake area" for ground water to flow into the pipe and reduces infiltration. A patent application is pending.

"The full-flow subdrainage pipe" is designed for use in highway construction, airport runways, building foundations of all kinds, railroad rights-of-way, and other construction where underground water drainage is required to prevent failure of the subgrade.

Mr. Granco's wife, Rose, preceded him in death in 1954. Funeral arrangements are being made by the family.

\$55 Theft At Gas Station

Two Charged With Madison Tavern Theft

Burglary charges were filed by Madison police Thursday afternoon against Norbert C. Walcott, 30, of 2046 Omaha street, and Charlie Lee Mitchell, 29, of 315 Watson street, Eagle Park Acres, who were charged with stealing \$40 in change from the cash register, eight full quarts of assorted whiskey and several half quarts of beer, taken after entrance was gained by breaking the front door glass.

Both were released on property bonds to appear for a hearing Feb. 16.

Rogers Knudsen, 23, of 2145 East 24th street, who was injured, was charged with driving too fast for conditions when he struck the side of his vehicle which spun around and skidded backwards, striking a telephone pole and broke off about four feet from the ground.

Police said Turner will be charged with careless driving.

JUNIOR DEPARTMENT SWEETHEART PARTY

The Junior Department of the Sunday school of Second Baptist Church held a "sweetheart party" Thursday evening in the church basement. Mrs. Betty Lewis, junior superintendent, and her associate, Miss Sue Warnhoff, were in charge.

Mrs. Lewis led a game of "musical hats," with only the department members participating. Miss Warnhoff announced the names of the "king and queen of sweethearts," the winners being Mr. and Mrs. Howard Wigger.

Eugene Richardson and Gloria Thomason presented the royal pair with red and white robes. Susan Yates and Nancy Cook presented their crowns and scepters. Connie Richardson gave the queen her scepter. The royalty sat upon red thrones against a background of red and white hearts.

Decorations included many red and white streamers, and large red balloons and white streamers were suspended from the center of the room. A gift of appreciation from all the juniors was given to the pair by Miss Warnhoff.

With the royal pair reigning over the court, the juniors then presented eight playlets, with approximately 25 taking part. Rebecca Miller was in charge of the chart listing the events.

A short time was spent in answering funny questions, given by Mrs. Lewis to some of the parents. A get-acquainted time was held.

All of the preparations and decorations were made by the juniors, with only the superintendent and her associate guiding the work.

On the main tables was a large white cake centered with a smaller red heart cake and a cupid on top. Refreshments of cake, coffee, punch and red hearts filled with valentine candy were served, with Mrs. Lewis offering prayer.

Those served were Mr. and Mrs. Eugene Monahan, Mr. and Mrs. Howard Wigger, Mr. and Mrs. Ralph Yates, Mrs. Nadine Frith, Mrs. Russell Richardson, Mrs. Lucille Thomson, Mrs. Eleanor Cook, Mrs. Fern Anderson, Mrs. Cora Miller, Mrs. Norma Kains, Mrs. Mary Benko, Mrs. Dolly Farley, Mrs. Lenore Walby, Mrs. Julia Penrod, Patricia Davis, Marvin Miller, Jerry Monahan, Eugene Richardson, Ricky Frith, Stephen and Judy Benko, Richard Welby, Danny Penrod, Kathy Farley, Diane Olive, Susan Yates, Bruce Freeman, Nancy Cook, Connie Richardson, Rebecca Miller, Gloria Thomason, Donna and Cathy McCoy, Joy Lewis, Betty Ward, Susan Anderson and visitors Gary and Gail Lewis, Frances Susan, Vickie, Larry, Wally, Larry Anderson, Diane Benko, Gary and Jerry Dacus, and junior department leaders and officers, Mrs. Mildred Garin, Mrs. Ruth Dodd, Mrs. Lewis and Miss Warnhoff.

BIRTHDAY SURPRISE AT VALENTINE PARTY

A valentine dinner party for Adult Union One of the Second Baptist Church Training Union was combined Saturday evening with a surprise birthday party for one of the members, Howard Wigger, arranged by his wife.

Valentine decorations were used on the tables, and favors were heart candies in valentine baskets.

A "This Is Your Life" comedy sketch was given by Judy Lupardus, Kenneth Hart, Gary Wigger and Jim Charlton, and a game was directed by Eugene Monahan. Gifts were presented to Wigger.

Present were Mr. and Mrs. Evert Wigger, Mrs. Thelma Leary and daughter, Sue, Mr. and Mrs. Howard Wigger and children, Nancy and Gary, Mr. and Mrs. Eugene Monahan and son, Jerry, Mr. and Mrs. Jesse Welby and children, Mr. and Mrs. Archie Lupardus and two sons, Mr. and Mrs. Robert Lewis and children, Mr. and Mrs. Ode Lewis and children, Mr. and Mrs. Gordon Charlton and son, Jim, Mr. and Mrs. Harry Koenig, Mr. and Mrs. Cliff Stephens, Kenneth Hart, Donald Mayberry, Mrs. Maxine Dacus and Maxine and Jerry Stubblefield.
